Dear Mr. Lazeroff

This letter is to express our appreciation for your company's efforts to promote the Home Performance with ENERGY STAR program and its mission to improve our nation's existing homes.

The Century Club Award recognizes your organization as one of a select few that have improved the energy efficiency of more than 100 homes in the past year through the Home Performance with ENERGY STAR program. Home Performance with ENERGY STAR, sponsored locally by the New York State Energy Research and Development Authority, offers homeowners a comprehensive, whole house approach to improving energy efficiency and comfort, while saving money on utility bills and helping to protect the environment.

Your efforts have positioned your company as one of the market leaders in a rapidly growing industry - providing important services to individual homeowners as well as meeting critical societal challenges to address global climate change.

Thank you for your hard work and dedication, and I look forward to working with you to strengthen our partnership in 2009 and beyond!

Sincerely,
